Performance Attire - TUXEDO links for Symphony Orchestra

For those in **SYMPHONY ORCHESTRA** choosing the Tuxedo option, here are some links to tuxedos for purchase online. The only requirement is a basic, black tuxedo with white shirt, black bow tie, black cummerbund, black dress shoes and black socks. Below are some links or if your student has a basic black tuxedo for a school ensemble, that will work as well. A vest is not required, though some packages linked below come with them. Remember that you will need to wear it for your onstage rehearsal on November 15th and the performance.
