Guidelines for all #CKYOatHome Conversations:

1. Be ready to join right at 6:30pm - we will start the meeting a little before 6:30pm but will plan to start the presentation as close to 6:30pm as possible but we want to make sure most of you are signed in and have joined the meeting. If you join early you will be placed in the waiting room until 6:30pm.
2. Please make sure you have a name on your account. Due to spamming, we will only accept you into the meeting if you have a first name and at least a last initial. This also helps us to call on you if you have a question.
3. You can leave the meeting at any time, no need to tell us or let us know you are planning to sign off. We anticipate the conversation to last about an hour or at most, 90 minutes.
4. When you join you will be muted, this will help control audio feedback.
5. If you have headphones with a microphone, that typically works best for filtering out noise.
6. QUESTIONS - when we open up each conversation to you to ask questions, we will ask you to "Raise Your Hand" if you have a question. The moderator (Amelia) will let you know it is time for your question and will unmute you so you can ask when it is your turn. To learn how to "Raise Your Hand" in Zoom, click [HERE](#).
