Talent means nothing without opportunity.

It isn't enough to simply have talent. You have to hone it and put it to use; otherwise, it will go unnoticed. The same can be said for your wealth. Having investments is one thing but, for them to reach their potential, they must be handled responsibly. As Financial Advisors, that's our job. We would welcome the opportunity to discuss with you how we can help you make the most of your assets.

On behalf of The Fister Group at Morgan Stanley, we wish Central Kentucky Youth Orchestras continued success, and proudly support their talents as we celebrate their achievements.
