

We the People

Deidra White

We were born from Revolution
Older than the Constitution
Before Our Fathers wrote and testified

We will have more perfect union
We will have no dissolution
The pow'rs that Be, are We, You and I

Bound together now
Beneath the stars and stripes
We don't bow
We shine bright

We know our wrongs
We know our Rights
We know our story now

We know a pain
You can't rewrite
We stand together... as We the People

Two Hundred Fifty years
we held the truth
And our self-evidence is proof
Long before a Civil War became a Right

Feel the rhythm in our heartbeat
See the soul within our city
Remember, who we are 'n hol' on tight

Bound together now
Beneath the stars and stripes
We don't bow
We shine bright

We know our wrongs
We know our Rights
We know our story now

We know a pain
You can't rewrite
We stand together... as We the People

Now the time has come to testify
Our city's beacon blue light shines
We'll run our races
with Sovereignty 'n pride

The city's ours, it lives within us
Our mom 'n pops, that feed us
Angel city, spread your wings 'n
take flight

We know our wrongs
We know our Rights
We know our story now

We know a pain
You can't rewrite
We stand together... as We the People
