ADDITIONAL GUIDELINES AND TIPS FOR AUDITIONING

TRANSPOSITION: If you play a Transposing instrument, the beginning of your excerpt will list which transposition the excerpt is in (if any).

CLEFS: If you play an instrument that reads multiple clefs, please be sure to note which clef is indicated.

TEMPO: The tempo marking for each excerpt is a performance tempo and is intended as a guide. Keep in mind that should the orchestra perform that repertoire in the coming year, that performance tempo would likely be followed. If you are unable to play the excerpt close to the suggested tempo, you may want to reconsider the ensemble for which you audition.

RECORDINGS: The complete name of each piece is included at the top of each excerpt to help in the process of finding a recording. Please take advantage of the recorded resources out there in the world. Listening to (or watching) a recording of the complete piece or movement from which an excerpt is taken is a great way to get to know the piece and the context of your part.
