**How to Measure - Women**

**How to measure for her garments**

**Height:** With shoes on, stand with your feet slightly apart and your back to a wall. The measurement from the top of your head to the floor is your height.

**Bust Size:** Measure snugly (under arms) around fullest part of bust. Keep measuring tape parallel to ground.

**Waist Size:** Measure snugly around the narrowest part of waist, usually the belly button area.

**Hip Size:** Measure snugly around the fullest part of hips.

We create our own patterns and know that sizes can vary between designers. For the correct fit, take your measurements and use Formal Fashions' size charts to order your size. The size you order from Formal Fashions may be a different size than what you normally wear.
