DID YOU KNOW?

CKYO does not charge families the tuition amount that is equal to the full cost of running the audition-based orchestras. CKYO Tuition only pays for about 64% of what it costs CKYO to provide this high-quality orchestral experience to your students. Consider making an additional donation if you are able.

I'm making an additional donation:

 \$160/per semester

100% of what it costs for my student to participate in CKYO Concert Orchestra

 \$50/per semester

75% of what it costs for my student to participate in CKYO Concert Orchestra

 OTHER

Every bit helps!

All Additional Donations + \$75 fundraising opt outs are tax deductible.
